

# DuraPAC

Compact, Rugged Portable with a 17.3" display and 4 full-length expansion slots. Configurable with the latest Intel® Core™ or AMD processor.

## Lightweight and Compact

The DuraPAC is one of ACME's most popular computers because of its compact design. The chassis only weighs approximately 16.5 pounds. Its dimensions are 16.50"W x 13.62"H x 7.25"D.

## High-Performance

Some expect the DuraPAC to sacrifice some power because of its compact design. However, the DuraPAC is packed with high-performance capabilities, supporting the latest CPUs and graphics cards.

## Versatile Platform

The DuraPAC comes with highly sought-after features such as hot-swappable hard drives, 4 full-length expansion slots, and more. It can be tailored to suit your specific application.

# Technical Specifications
